C01. What do you feel was the most valued part of the sections?

12267. I thought Abhi was the best part of section. He is very knowledgeable in the subject matter and was really thorough with explanations. He answered any questions we had, always taking the time to make sure everyone knew what was going on.

12264. The TA. He's absolutely fantastic. He's clear, very willing to help students, great at explanations, and very entertaining. (I liked the jokes! They were terrible, but they were hilarious for how terrible they were. I mean this as a compliment.) I really, really appreciated his section and his enthusiasm-- he was extremely helpful and so invested in our education.

C04. General critique

12247. Abhi is one of the best TA's I've ever had.

12267. I loved section and felt really engaged during it. Abhi made section high-energy and fun with his jokes and light-hearted demeanor. Despite this, we were still very productive and I learned a lot too. Abhi has been one of the best TAs I've had at Cornell. Overall, made my semester a much more enjoyable experience!

12264. I honestly think anyone who gets Abhi as a TA is very, very, lucky. I've had four years worth of TAs, and have TA'd myself, and he is by far one of the best.
